Muhammad Ismail

Consultant (Quality Assurance)

NO. I-47/2018/QAD-NOC/HEC/NUCES/ 324

Dated: November 28th, 2018

Subject: NOC prior to launching of MS (English Language Teaching)

Dear Sir,

Kindly refer to earlier correspondence on the subject cited above. I am pleased to share that on the basis of information provided by the National University of Computer & Emerging Sciences (Lahore Campus) that MS (English Language Teaching) is in line with HEC Minimum Criteria for Admission in MS/MPhil and PhD Program and award of degrees. Therefore, HEC has no objection on start of MS (English Language Teaching) w.e.f Fall 2019 by National University of Computer & Emerging Sciences (Lahore Campus).

It may be re-iterated that, besides other requisites, the minimum requirement to launch and continue conducting an MS/MPhil/MBA/Equivalent program and a PhD program is to have a minimum two and three relevant PhD faculty members, respectively, at all times. However, HEIs are requested to have appropriate student-teacher ratio in view of the research thesis supervision.

Further, HEC QA policies defined in MS/MPhil & PhD criteria and notified from time to time will also be applicable in said program. Moreover, HEC reserves the right to withdraw the NOC in case it finds that University is unable to demonstrate its ability and commitment to meet the HEC minimum criteria for admissions, Curriculum, faculty, scheme of studies and semester guidelines etc.

With kind regards,

ismaeel
(Muhammad Ismail)
