

Self-Assessment Visit for the program MS Data Science (MS-DS)

Self-Assessment visit of the program MS Data Science was arranged by QEC Lahore Campus on August 09, 2019 (Friday). Dr. Muhammad Amjad Iqbal, Associate Dean, Faculty of IT, UCP Lahore was the external member of the assessment team while Dr. Irfan Younas, Assistant Professor & MS (DS) program Coordinator was the internal member. The Assessment Team (AT) assessed the SAR of the said program as per HEC guidelines. The team also visited the campus facilities available for the students including library, computer labs, class room etc. and held meeting with different faculty members of the department. AT prepared the assessment report in which they highlighted the strengths of the program and indicated some areas for improvement.
